

Hello!

Do you know the  
symptoms of  
COVID-19?

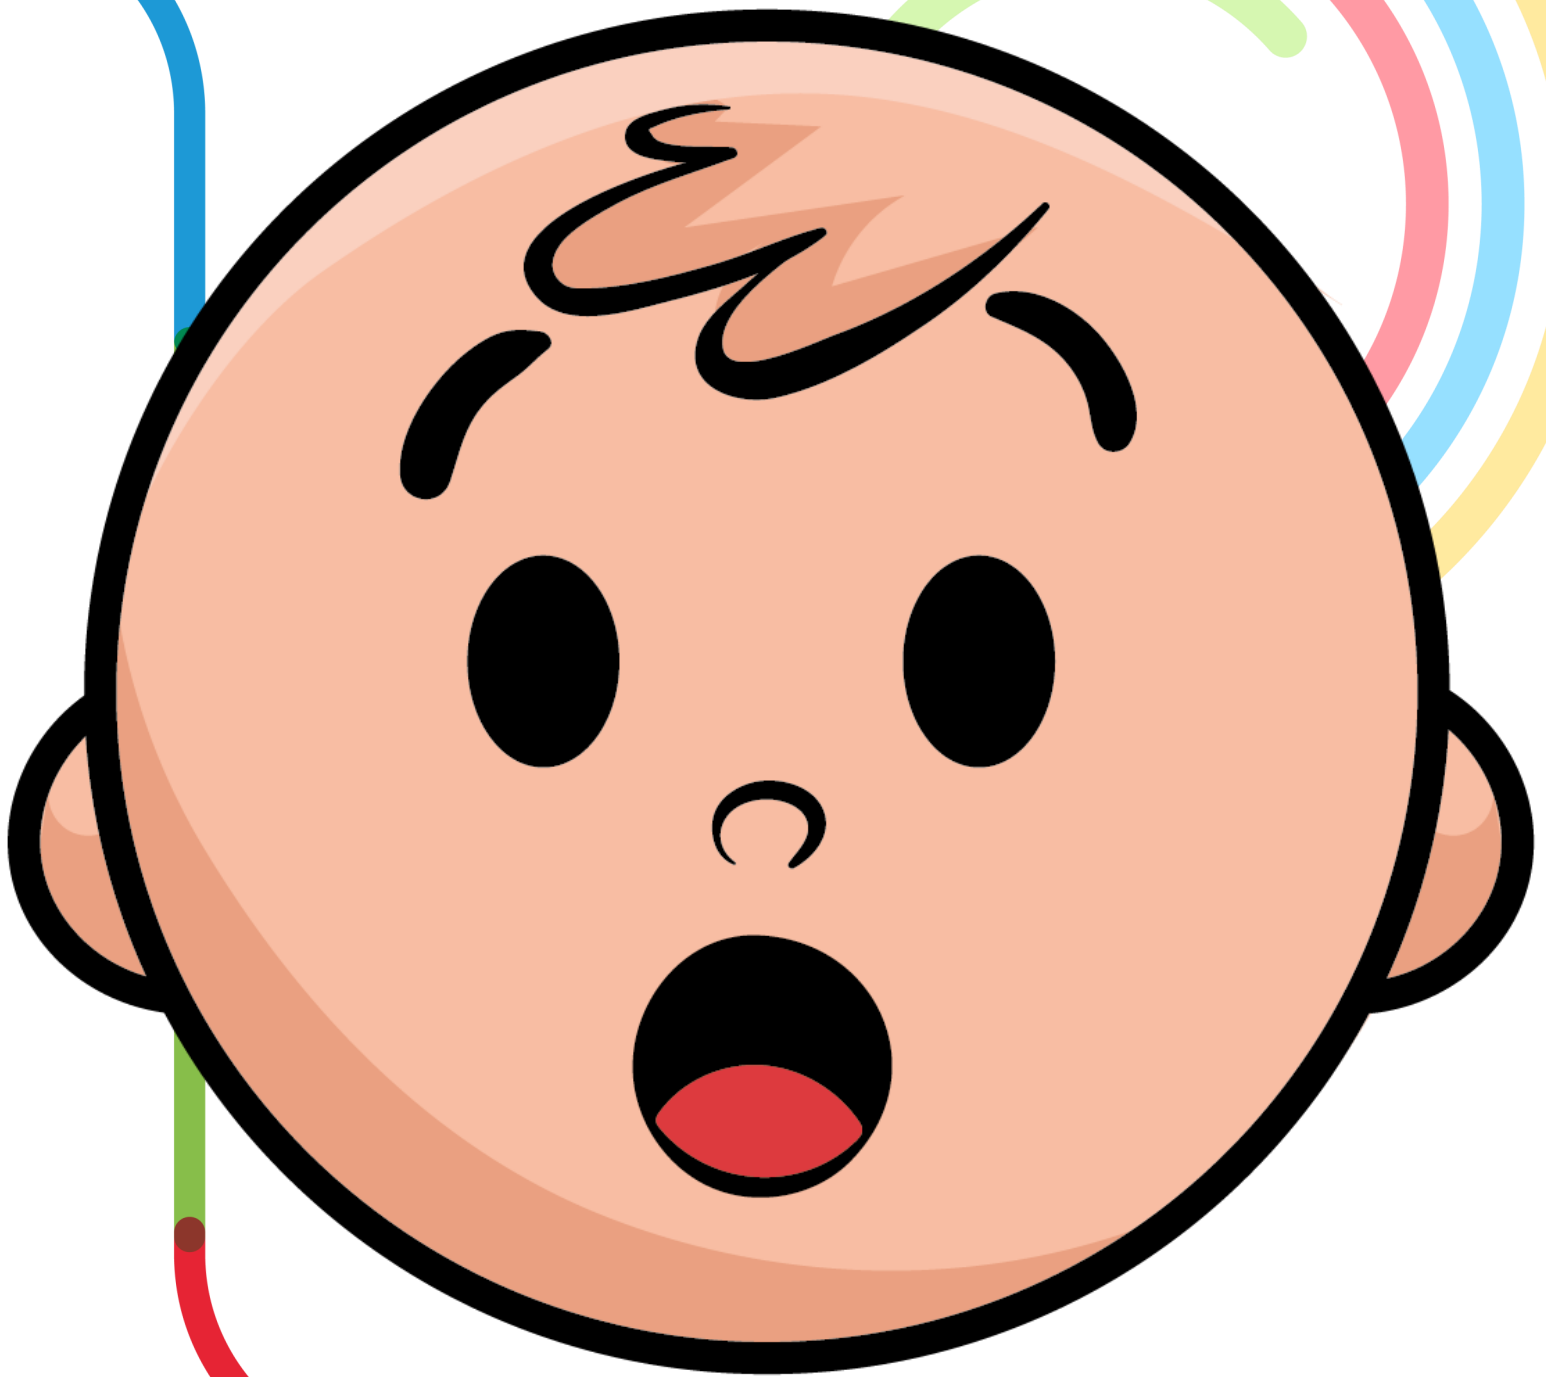

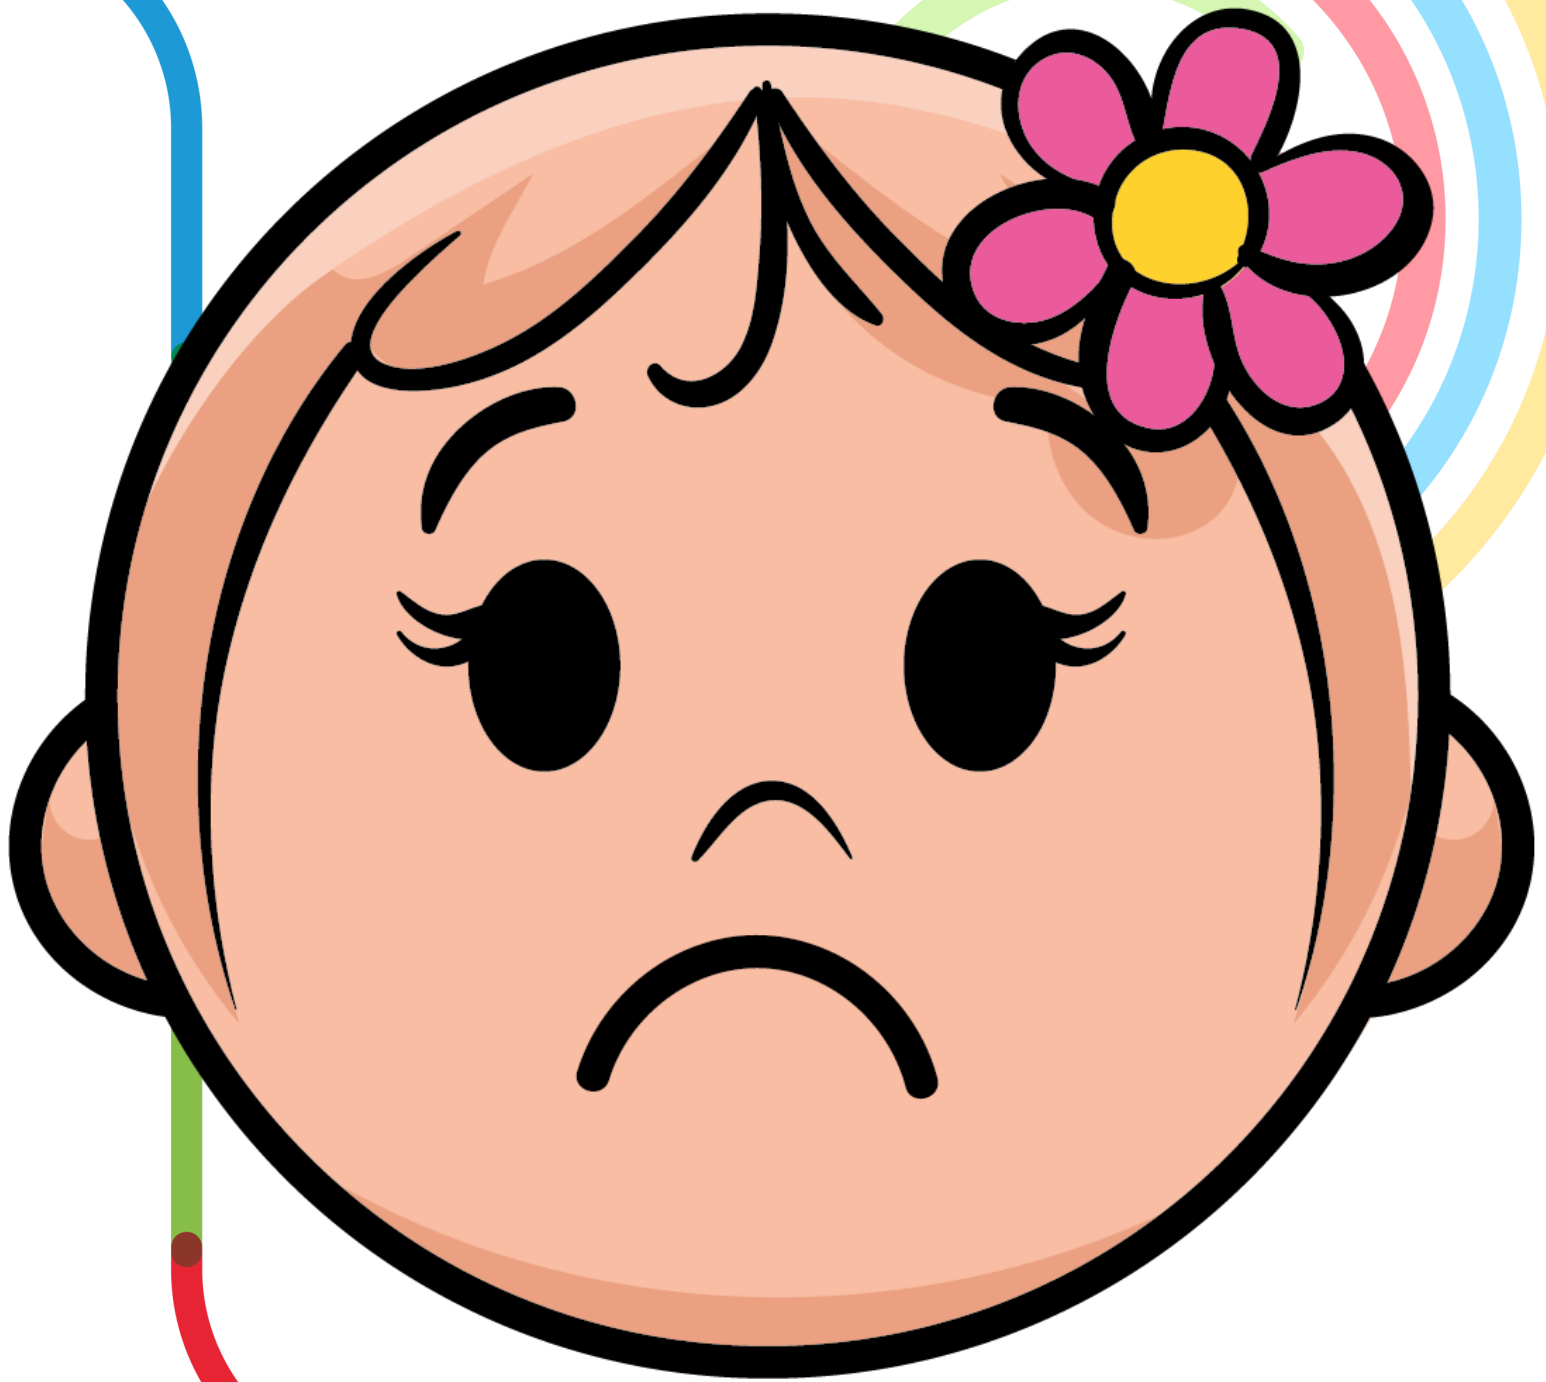

Fever

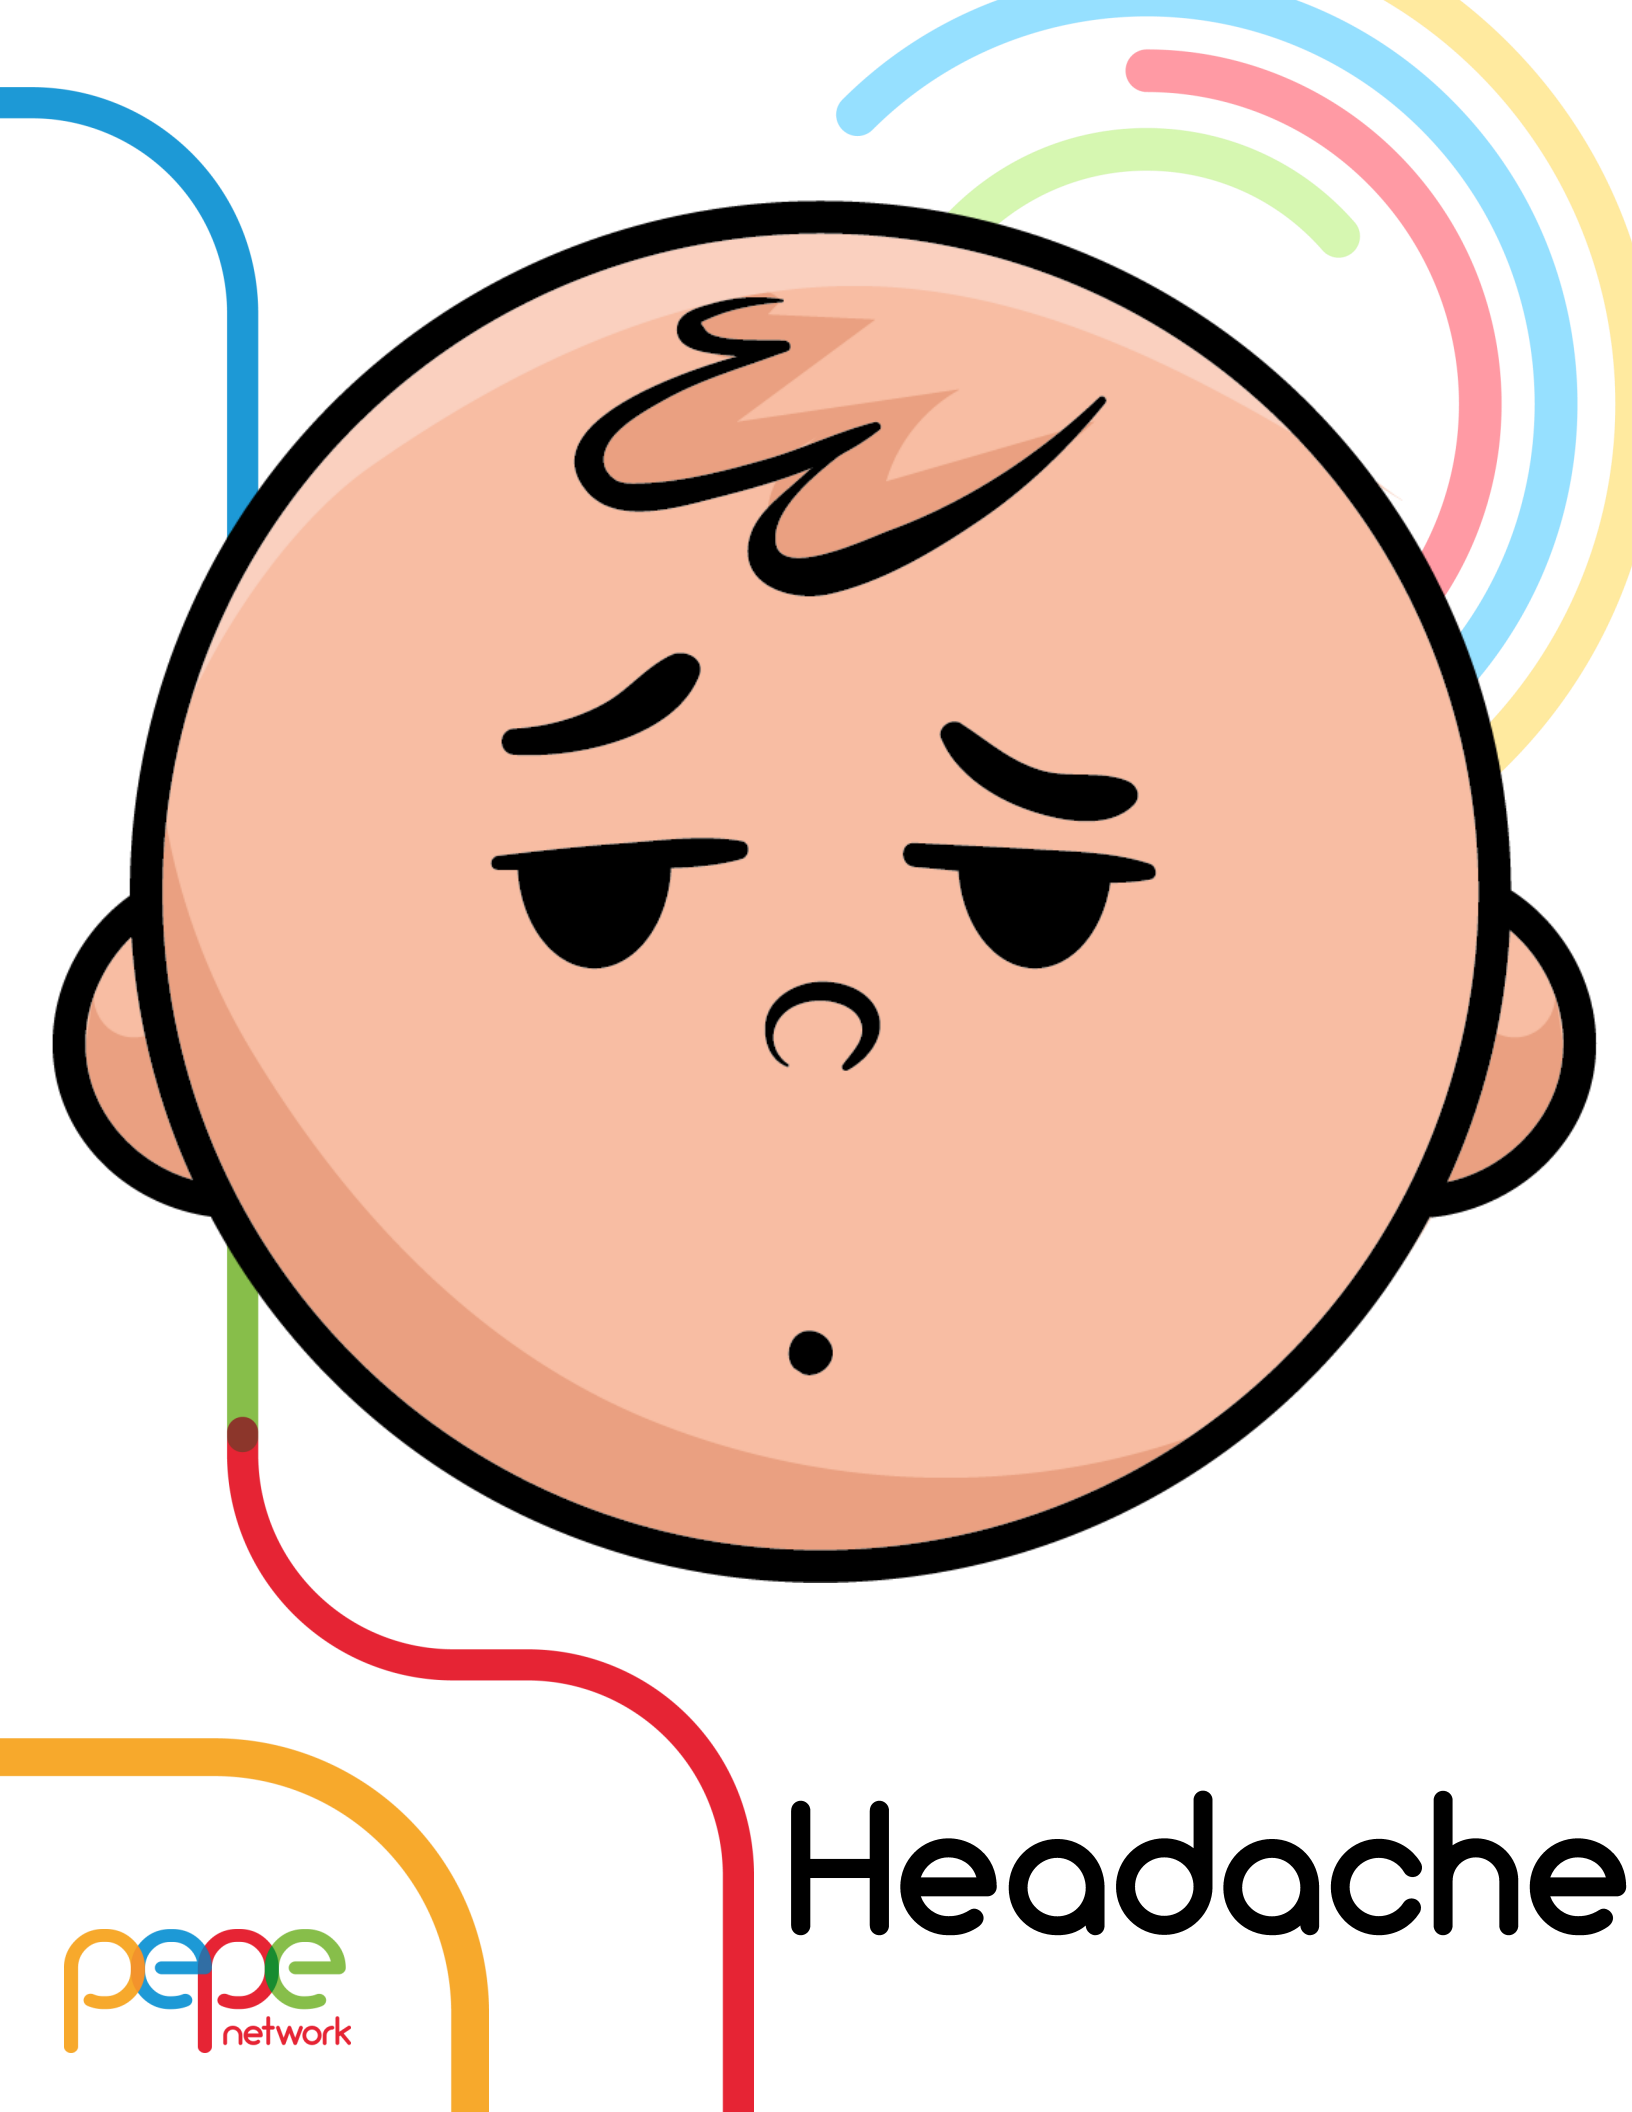

# Breathing Difficulty

Sneezes and  
coughing

Malaise or  
muscle pain

Headache

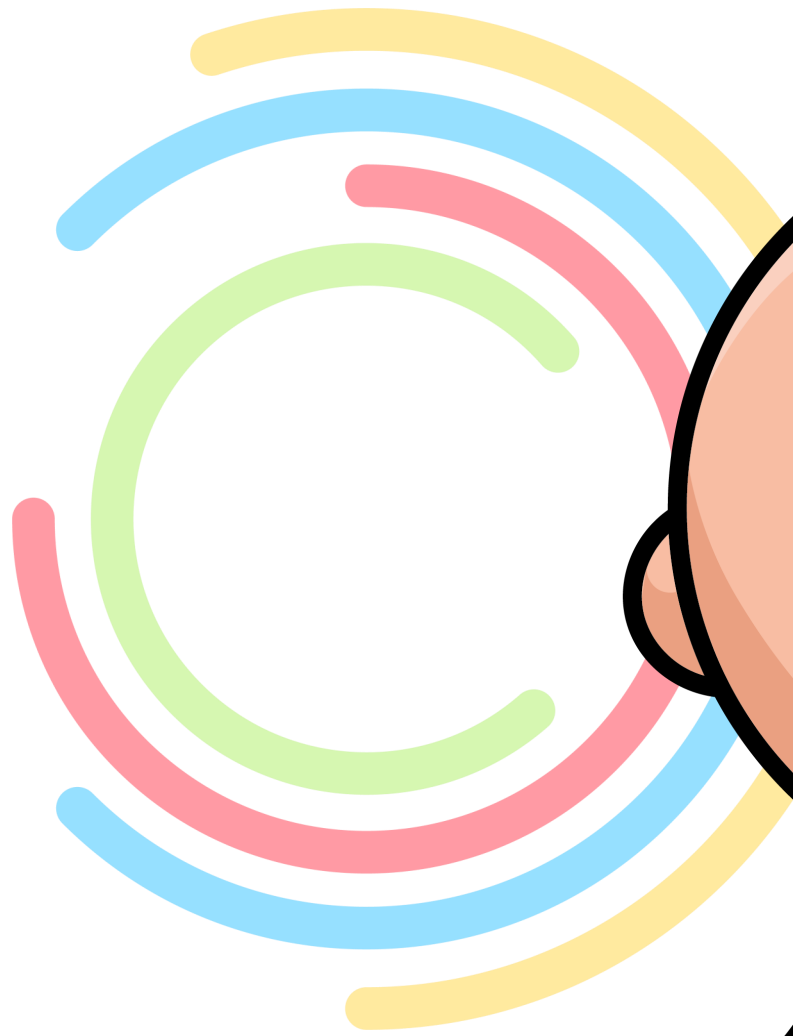

Prevention  
Measures

Sneeze  
with a  
tissue  
paper or  
with the  
forearm

Go straight to  
the doctor if  
you have  
symptoms and  
avoid going  
out of the  
house

Do not greet  
with the  
hands or hugs

pepe  
network

Wash well the hands with water and soap or use a 70% alcohol based hand sanitizer.
